

# ***BUILD A CULTURE THAT WORKS***

**Why are we here?**

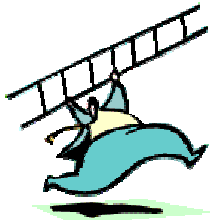

**Are we having any fun?**

**Are my ideas valued?**

**How do we communicate?**

**How do I get ahead? Does performance really matter?**

**Do I think I'm paid fairly?**

**What's the company story?**

**What's our management style?**

**What's the place look like?**
